DIGITAL IAML

Thursday 18 July 2019

As part of the 2019 IAML Annual Congress, a series of sessions will be hosted on Thursday 18 July focused on digital tools and technologies related to music libraries. This event will enable attendees of all skill levels to learn and build together during a mix of workshops focused on Digital Tools for Music Libraries followed by participant-led unconference sessions. The unconference will provide a space and platform for attendees to share digital projects, tools, and programmes, as well as works in progress or ideas. The day will provide attendees with hands-on introductions to and skill-building in a variety of areas related to libraries and technology, learning in a collaborative, interactive, informal, spontaneous and productive environment.
